Scientific Agenda

INTERNATIONAL FACULTY

DR. ANWAR KULIEV
Director of Research at Reproductive Genetics Institute, Chicago, Illinois, United States.

Dr. Anver Kuliev received his PhD in Clinical Cytogenetics in 1969. From 1979 he was head of the World Health Organization (WHO)'s Hereditary Diseases Program in Geneva, where he developed the community-based programs for prevention of genetic disorders and early approaches for prenatal diagnosis. He moved to Reproductive Genetics Institute, Chicago, in 1990, where he heads the WHO Collaborating Center for Prevention of Genetic Disorders, and scientific research in prenatal and preimplantation genetics. He is an author of 200 papers, including 11 books in the above areas, including 5 books in the field of Preimplantation Genetics.

Dr. HANMANT BARKATE
VP Medical Services.

Dr. Barkate (M.D. Pharmacology), currently working as Vice President- Medical Services, He is pivotal in steering several extensive clinical research in conducting early & late phase clinical trials for Biosimilars, NDDS & NCEs.

He has got 17 years rich experience in healthcare industry and having expertise in regulatory affairs and pharmacovigilance functions.

He is having more than 10 research publications in national & international journals to his credit and has delivered several talks in national and international conferences.

DR. DON LEIGH
Principal Scientist, Department of molecular Genetics, Genea, Australia.

Don Leigh gained his PhD in Biotechnology at University of New South Wales. He worked in research areas for several years looking at eukaryotic vector systems and then at the molecular basis of lung carcinoma in a mouse model.

In the 17 years since, he has been involved in both clinical and developmental aspects of PGD as well as application of newer molecular methods in prenatal screening/diagnosis. Currently, his main area is application of NGS to prenatal, PGD and carrier screening for recessive diseases.

He is one of the most active Board Members of Preimplantation Genetic Diagnosis International Society (PGDIS), and a leading expert involved in training of more than hundred specialists at the PGDIS Hands-On Workshops on PGD by blastocyst biopsy. Don Leigh is currently a PGDIS officer, and Secretary of PGDIS.

DR. PARISA ASWADI
AVP Biosimilars Analytic development and Global Regulatory affairs.

Parisa Aswadi is an accomplished biotechnology manager who is passionate about scientific discovery, human health and its improvement as well developing effective, safe and accessible therapeutics. Parisa holds a PhD in Biomedical Sciences (antibody engineering) and has in depth knowledge and experience in antibody chimerization, antibody humanization and phage display. She possesses excellent written and verbal communication, problem solving and project delivery skills and is a highly effective public speaker.

Parisa has presented data at numerous scientific conferences as well as investor forums both in Australia and internationally. In addition, Parisa has authored multiple scientific papers

DR. RAMENDRA SINGH
Assistant Professor, IIM Calcutta.

Pioneer in Sales and distribution management, Marketing Management. He is having publication in Corporate Social Responsibility and got many more awards in field of management viz. AIM Visiting International Fellowship at the Management School, University of Lancaster, UK [May-June 2011], Selected for Marquis Who's Who in the World 2011 (28th Edition), AIMS International Young Management Researcher Award 2010.

Hari G Ramasubramanian
Chief Consultant at Indian Surrogacy Law Centre.

Pioneer in the field of Indian surrogacy law. He founded India's First Fertility Law Firm, Indian Surrogacy Law Centre and has been grown with the field. He has advised and argued landmark cases pertaining to surrogacy and other fertility laws in India. He advises on complex international surrogacy arrangements involving conflict of law situations. He writes on developments on surrogacy law in India and around the globe.

Mohit Rao
Mind Reader.

Mohit Rao is Mind Reader, Mentalist and Corporate Entertainer. He has the ability to read your Mind, control your thoughts and even influence decisions. Using his skills, he has predicted the exact closing of the BSE Sensex live on national Television, hypnotised over 25000 people worldwide and used telepathy to drive a car blindfolded! He performs a show called "SE7EN" for corporate audiences. In this engaging and Interactive Show, he takes the audience on a journey to experience the amazing powers of the Human Mind. Each experiment is designed to amaze,...

NATIONAL FACULTY

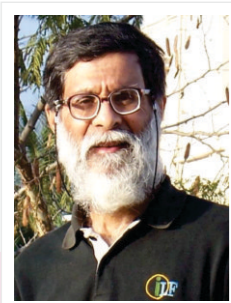

DR. SONAL PANCHAL
Consultant Sonologist at Dr. Nagori's Institute for infertility and IVF Ahmedabad, India.

Specialized in dedicated Infertility, Gynaec and high risk obstetric scans with Doppler and 3D-4D ultrasound. She has given more than 275 Guest lectures at several state, national and international conferences. She has done research work on follicular monitoring, endometrial receptivity and PCOS.

She is faculty of Donald School Ultrasound in OBGYN diploma in India and Bangladesh and 3D-4D ULTRASOUND infertility training programs in India and abroad.

She is Professor, Dubrovnik International University, Croatia, National Academic Director, Ian Donals School, India. She is having more than 100 books publication 3D & 4D USG in obstetrics and Gynecology, USG in Male infertility.

DR. CHITTARANJAN ANDRADE
Professor and Head, Department of Psychopharmacology, NIMHANS, Bangalore, India.

Chittaranjan Andrade M.D. is a psychiatrist with over three decades of experience in his field. He is the Professor and Head of the Department of Psychopharmacology at the National Institute of Mental Health and Neurosciences, Bangalore.

He has received 3 international awards, 10 national awards (including all the major awards of the Indian Psychiatric Society and the Indian Association of Private Psychiatrists) and 8 state and other awards in recognition of his research. He has published 19 books, about 40 chapters in various texts, and around 500 scientific papers in peer-reviewed journals.

PROGRAM DETAILS

DAY 1 - 5th FEBRUARY 2016

Sl. No	Timing	
1	7.30 PM-8.30 PM	Formal Inauguration of Symposium
2	8.30 PM- 11.30 PM	Cultural program and dinner

DAY 2 -6th FEBRUARY 2016

Sl. No	Timing	Topic	Speaker	Chairperson
1	09.00 AM- 10.00 AM	Genetic Screenig - The Future of IVF	Dr. ANVER KULIEV Director of Research at Reproductive Genetics Institute, Chicago , Illinois , United States.	
2	10.00 AM- 11.00 AM	Imaging infertility- using the latest ultrasound technology for diagnosis and optimizing IVF result	Dr. SONAL PANCHAL Consultant Sonologist at Dr. Nagori's Institute for infertility and IVF Ahmedabad Area, India.	

11.00 - 11.15 AM (TEA BREAK)

3	11.15 AM-12.00 PM	Planning & Selecting best embryo -options & strategies	Dr. DON LEIGH Principal Scientist, Department of Molecular Genetics, Genea, Australia.	
4	12:00 PM-1:00 PM	Am I ready for IVF ?-Addressing the Mental health & psychological condition of infertile couple	Dr. CHITTARANJAN ANDRADE Psychiatrist, Bangalore	

1.00 PM - 2.00 PM (LUNCH BREAK)

5	2:00 PM-2:45 PM	Single cell- Journey from biopsy to results for single gene disorder and HLA typing	Dr. DON LEIGH Principal Scientist, Department of Molecular Genetics, Genea, Australia.	
6	2:45 PM-3:45 PM	Its Down to the Numbers- Utilizing different marketing tools to optimize Patients reach	Dr. RAMENDRA SINGH Assistant Professor, IIM Calcutta	

3:45 PM-4:00 PM (TEA BREAK)

PROGRAM DETAILS

Sl. No	Timing	Topic	Speaker	Chairperson
7	4:00 PM-4:30 PM	Conceptualization to Publication Research Publication – How to go about it	Dr. HANMANT BARKATE VP Medical Services	
8	4:30 PM-5: 00 PM	Innovation.. Introspection and implementation- Bio-similar The Future of IVF	Dr. PARISA ASVADI AVP Biosimilars Analytic development and Global Regulatory affairs	
9	5:00 PM-5:30 PM	The Ethical policies & practices in ART and its implications	HARI G RAMASUBRAMANIAN Chief Consultant at Indian Surrogacy Law Centre	
10	5:30 PM-7:00 PM	The mind readers – Understanding the unspoken truth	MOHIT RAO Mind Reader, Motivational Speaker, Dreamer, Mumbai, India.	
GALA DINNER & CULTURAL ACTIVITIES				
	8:00 PM-11:30 PM	GALA Dinner Followed by Entertainment program		
DAY 3 - 7th FEBRUARY 2016				
Sl. No	Timing			
11	8.00 AM-12.00 PM	Sightseeing and Lunch
