

CNE – Basic Assessment In New Born Mumbai - 2017

Basic Assessment In New Born:

"**Basic Assessment In New Born**" is designed for nursing professionals to imbibe them with the updates in Neonatal care. Its helps them to gain knowledge and skills in rendering nursing care of New Born. Its also helps the nurses to develop skills in monitoring life saving situations.

Expert faculties with the assistance of demonstration videos were delivered which helped the nurses to gain practical knowledge.

Asian Society of Continuing Medical Education in collaboration with Leelabai Thackersey College of Nursing conducted this CNE.
