

Comprehensive New Born Assessment

Alibag - 2018

Comprehensive New Born Assessment:

"Comprehensive New Born Assessment" is designed for nursing professionals to imbibe them with the updates in Pediatrics. It helps them to gain knowledge and skills in rendering nursing care of Pediatrics. It also helps the nurses to develop skills in monitoring life saving situations.

Expert faculties with the assistance of demonstration videos were delivered which helped the nurses to gain practical knowledge.

Chinguaai Institute of Nursing Education in collaboration with Bhagyalaxmi Hall, Alibag; conducted this CNE.
