

Intricacies of Cardiac Monitoring and Cardiopulmonary Resuscitation **Mumbai - 2017**

Intricacies of Cardiac Monitoring and Cardiopulmonary Resuscitation:

"Intricacies of Cardiac Monitoring and Cardiopulmonary Resuscitation" is designed for nursing professionals to imbibe them with the updates in Pediatrics. It helps them to gain knowledge and skills in rendering nursing care of Pediatrics. It also helps the nurses to develop skills in monitoring life saving situations.

Expert faculties with the assistance of demonstration videos were delivered which helped the nurses to gain practical knowledge.

Asian Society of Continuing Medical Education in collaboration with Lokmanya Tilak Municipal Medical College (LTMMC); conducted this CNE.
